

BUILD A SPIDER

DIRECTIONS: Paste one abdomen, one head with one set of jaws, and two sets of 4 legs to build a spider. Draw 8 eyes on the spider's head. You can also draw spines or hair. Color your spider and give him a name.

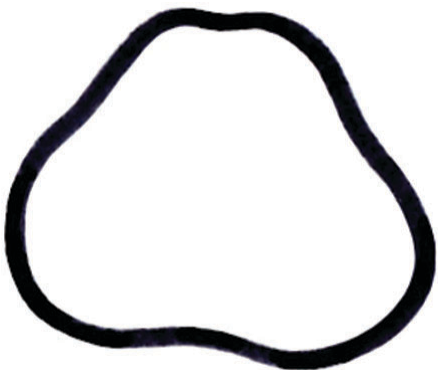

ABDOMEN

DIRECTIONS: Cut out one abdomen for your spider.

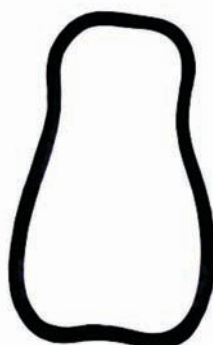

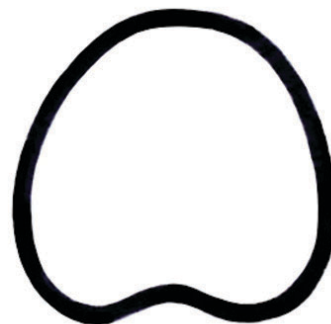

HEAD AND JAWS

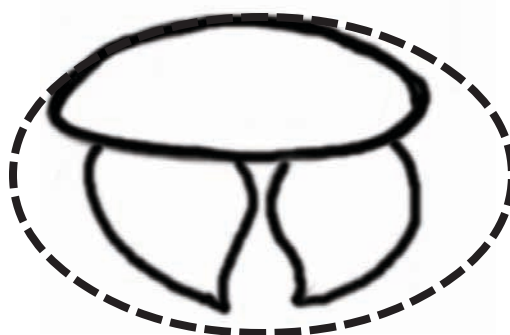

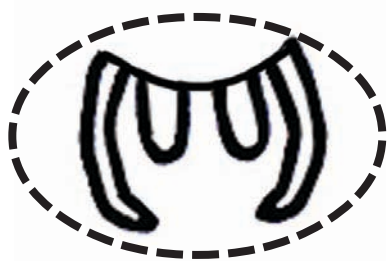

DIRECTIONS: Cut out one head and one of the jaws for your spider. Cut out two sets of legs from the next page.
